

Meet Our Artists Website Page Initial Setup

We would like all of our artist to be represented on the Meet Our Artist section of the AGON website. It is an excellent way to show your association to our group and introduce you to the Naples art community.

How much information we provide on this page is directly up to you. At a minimum we would like to show an example of one of your works along with the mediums in which you create. Optionally, we can include a link to your personal website, or your email to allow interested buyers to contact you directly.

To include you on the Meet Our Artist page we will need you to provide:

- a. A jpg of the piece you want to use for your introduction thumbnail
- b. A brief description of the type of mediums you create with
- c. A link to your personal website or the email address you would like visitors to use when contacting you. (Optional)

All of the above information can be sent to the attention of JoAnne Crowson at ArtGuildofNaples@gmail.com .
