As a parish, very much interested in your future, we ask you to be aware and to abide by the following:

- The times for marriages are on Saturdays either at 1pm or 2pm
- That you attend a prenuptial program – the celebrant will discuss this with you.

As you prepare for the Sacrament of Marriage

Congratulations

Thank you for your enquiry about getting married at Oakleigh Parishes. Like you we also take your wedding day seriously! Why? Because we believe that marriage is a life-long commitment of love and honour for each other. Therefore, both the Church and the Federal Government emphasize the need for marriage preparation.

It is important that you understand what marriage means before you ask us to accept your commitment. For this reason we need at least six months notice of your intended marriage.

Who can celebrate your marriage?

A Catholic priest or deacon registered as a Marriage Celebrant in Australia and not clergy of any other religious denomination can celebrate marriages at Oakleigh Parishes. The Parish priest of Oakleigh is responsible for marriage of parishioners only.

Requirements:

- To be married one must be 18 years of age or older.
- Baptismal certificates (not older than 6 months)
- Birth certificates.
- Two witnesses (18 years or older) are required for the marriage.
- If you come from outside the parish you must obtain a "Permission to Marry" form from your Parish Priest.
- Documents relating to your freedom to marry (e.g. divorce and annulment of any previous marriages, if applicable)
- Official documents need to be completed between one and eighteen months before the marriage
- To have completed a recognized prenuptial program.
- To meet the celebrant a few times before the marriage itself, normally after having completed the prenuptial program.

Marriage Preparation

Marriage preparation is available in the parish and through other organizations offering programs. Please make enquiries with the parish priest of the priest celebrating your marriage. It is the responsibility of the couples to ensure they arrange for marriage preparation at least 6 months prior to the wedding and to contact their priest for the necessary papers.
