

BONITA TERRA 50+ SOFTBALL LEAGUE GENERAL GUIDELINES – REVISED OCTOBER 19, 2020

GENERAL:

1. Hand sanitizer shall be provided by ball league.
2. Water fountains shall be closed for the season by field maintenance staff. Players, umpires, base coaches and spectators shall bring their own water for drinking during the games.
3. Signs shall be posted around the entire softball complex as a reminder to wear masks, maintain social distancing, etc.
4. Team members of the first game scheduled on both fields shall sanitize all bleachers, score keeper's tables and bat racks.

PLAYERS, UMPIRES AND BASE COACHES:

1. When off the field, players and coaches must maintain social distancing.
2. No sharing of equipment. Players shall bring their own equipment to be used on the field.
3. Home and away bleachers shall be designated for players and coaches only and shall be marked to maintain social distancing.
4. Social distancing shall be maintained by players, umpires and base coaches on and off the field of play. To promote social distancing, base runners cannot steal bases.
5. Personal contact by players and coaches including high fives, handshakes, and hugging is discouraged.
6. After game sportsmanship shall be a tip of the hat from the sidelines.
7. Balls shall be sanitized after each game by ball league members.
8. After each game, team members shall remove all equipment and trash from the team bleachers. Managers are responsible for monitoring and compliance with this requirement.

SPECTATORS:

1. Spectators shall maintain social distancing while on the bleachers or in their golf carts in the designated golf cart parking/ viewing areas within the softball complex. If it is observed that spectators are not maintaining social distancing and wearing masks, they will be asked to leave the softball complex. If spectators failing to maintain social distancing becomes a recurring problem, the issue will be resolved by prohibiting spectators.
2. All bleachers shall be marked for social distancing.
3. Masks are required. No non-resident spectators. No standing behind bleachers.

TIKI HUT:

1. Tiki Hut workers shall wear masks and gloves while on duty.
2. Tiki Hut managers shall limit workers to help maintain a social distancing while working.
3. Tiki Hut staff shall place markers on the walkway indicating a social distance for people in line for food and drink.
4. Tiki Hut benches, chairs and bathrooms shall be sanitized multiple times daily by Tiki Hut staff.
5. Tiki Hut patrons shall wear masks/ maintain social distancing while in the Tiki Hut area.

FIELD MAINTENANCE PERSONNEL:

1. Field personnel shall sanitize field equipment after use.
