Note: It is ok for a number to be used by a different horse/rider combo, if one exhibitor is showing at the Pleasure Shows & the other will be doing the Games shows.

Back # goes with the horse!
If you have multiple exhibitors using the same horse, the back number will be the same for all showing that horse.

By Reserving a Number:
You will bring your own number to each show & you will be responsible for making your own copies as needed.
