

CONNI ABSORBENT ANTI-SLIP FLOOR MAT

- The Conni Absorbent Mat is designed to sit firm and flat on the floor to help prevent trips and slips in areas where liquid might be spilt.
- The non-splash surface absorbs fluid making it perfect in wet areas such as bathrooms and kitchens.
- Works well in protecting carpets from stains and odours.
- It can be used next to the bed or chair for leaks that may occur and is excellent under commodes and IV stands.
