The Everyday Wonder of Nature:

The Water of Life

When we contemplate the whole globe as one great dewdrop, striped and dotted with continents and islands, flying through space with other stars all singing and shining together as one, the whole universe appears as an infinite storm of beauty.

~ John Muir, Naturalist and Father of National Parks

from one land mass to another, and even medicine. Ethics helps us decide how to preserve, protect, and distribute Earth's water resources. Spirituality helps us identify our core convictions about the meaning and value of water. Let us be custodians and guardians of the lakes, rivers, and oceans for all life on planet Earth.
