

Chapter 5

Question Handout

THE WORSHIP REVOLUTION

Become who you were created to be

“The **greatest** evangelistic tool we have is our **testimony** of Who God is and how He has **changed** our lives.”

Questions...

a) What "P" of evangelism led you to salvation? (Power, Personal, Program, Presence, Practical, Process, Praise)

I was a product of Presence evangelism with a little bit of program. I went to a summer camp (program) my freshman year of high school and God's presence changed my life during one of the evening services. I can't explain it all, but I knew God was calling me and I felt His tugging on my heart so strong. I responded to the call and surrendered my life to the cause of Christ!

b) Write down 2 ways you can incorporate "Praise Evangelism" in your life at work, home, etc...?

Action Step

This week take an opportunity to tell someone about how God has changed your life, answered a prayer, or provided for you in some way.
