

Finer Points of Pen & Ink

FOCUS

For the first half, we will learn ink techniques with large welled dipped pens with India ink and make washes from that ink. After the break, we will use Uniball Vision Elite pens as a drawing tool and combine that with washes. Toning papers will also be covered.

Attire

Ink stains! Wear old clothing that you are alright with getting messy.

Subject

Pack fruits, seashells, or any interesting object to recreate in class. Pinecones are always a good option.

Breaktime We will take a 15-20 minute break, so pack a snack

SUPPLIES TO BRING

- a mixed media sketchbook (9 x 12, Canson XL or Canson Mixed Media). Bring any paper that's heavy and high-quality.
- 1-2 paintbrushes that come to a point (medium size, rounded with synthetic softener). Ink stains, so make sure they are inexpensive!
- Pencil and eraser
- Container for water
- Watercolor paints, if you have them (neutral watercolors will be provided)
