

LOVE AND GRACE MINISTRIES - HAITI

Emson Graduates

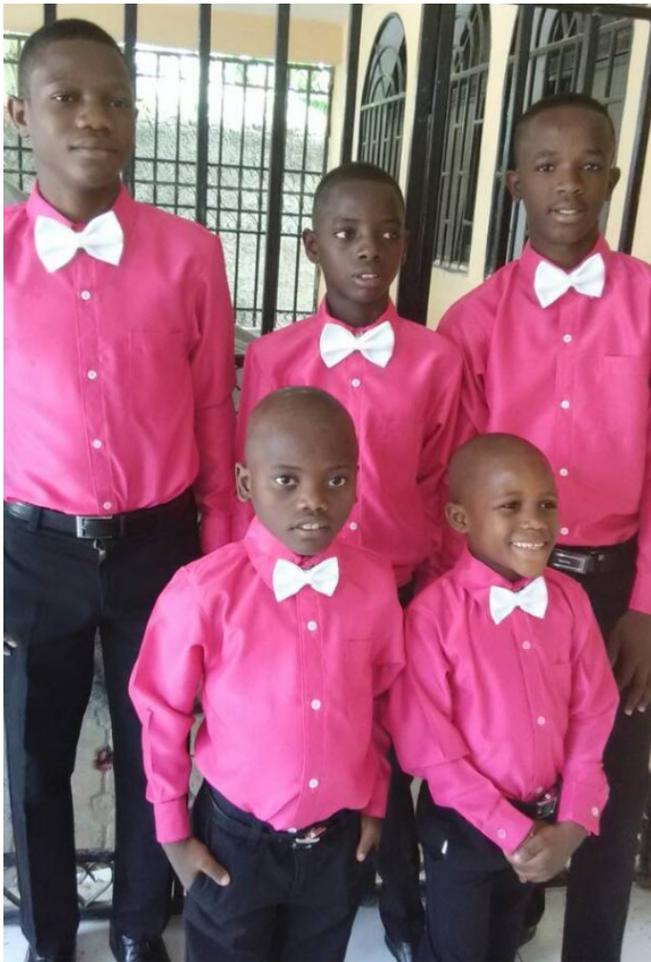

Many of you have probably read about the unrest, protests, and manifestations taking place in Haiti this past month. We ask for continued prayers for the country of Haiti. We pray for peace and change to take place in Haiti. However, in the midst of this chaos something more important occurred in July. Emson became the first high school graduate from L&G. What an accomplishment in a country where few are able to receive an education. Nelson Mandela's words could not speak more truth, "Education is the most powerful weapon which you can use to change the world." We thank you for your help in getting Emson to this point, and we pray Emson will be part of the change that his country needs.

Our Younger Graduates

A few of our younger boys graduated from their grades as well. What an encouragement for these boys to find success in school. A big congratulations to Front Row:

Sainfelove and Bewayson, Back Row: Sonson (Davidson Ellisor), Ecclesiaste, and Goodman. Thank you to all the sponsors. If you would like more information on becoming a sponsor of L&G, please email stacy@shrefler.net

Summer Teams

We are thankful for the work of the July team and their safety in returning home amid the recent unrest. Above is a banner they completed with the boys. It is a wonderful decoration that helps make the house a home. Please pray for the August team, as the decision was made to reschedule their team due to the unrest. We know they were excited to serve, but team safety is a priority. We pray God will allow this team the opportunity to visit soon. A big thank you to all the sponsors who sent gifts for the boys. All the gifts were able to fit in the luggage of two L&G's Haitian Board Members who were recently visiting PA. We are sure they were met with much excitement when delivering the gifts to L&G.
