# Trillian Trust Funfest 2021

**NZ'S BIGGEST  
FREE FAMILY EVENT  
IS BACK THIS SUMMER !**

**FREE parking, FREE entry, FREE rides, FREE facepainting**

Kia ora koutou,

We wanted to touch base with you to let you know of some changes that we are making to our upcoming event to make it even safer for you to attend the event. While we remain in the COVID-19 Alert Level system, we are inspired to align with the recently released Events Sector Voluntary Code and we are hoping you'll help us by doing your bit to stop the spread of COVID-19.

The Events Sector Voluntary Code has been released to outline what organisers can do to safely deliver events. This includes following best practice expectations, which are based on Ministry of Health guidance to reduce COVID-19 related risks. It will enable our organisation to support the Ministry of Health in contact tracing if an outbreak of COVID-19 were to occur.

**We've always taken the health and safety of you all as our number one priority**, so this is only a touch up on what we already do. If you've yet to see the Events Sector Voluntary Code, you can view it on the event information section of [www.funfest.co.nz](http://www.funfest.co.nz)

#### **What is the one thing we are encouraging you to do?**

Please do your part - Scan the FUNFEST QR code using the NZ COVID Tracer App and follow good hygiene principles such as sneeze into your elbows and wash your hands. Oh, and if you haven't got it already, we encourage you to download the app before arriving.

#### **So how are we doing our part?**

- Funfest QR Code will be made available at all key locations at the event.
- ALL GUESTS must scan the Funfest QR code OR Sign in at the main entrances.
- **No Scan - No Sign in - NO ENTRY.**
- We'll provide Hand sanitiser stations & Soap in bathrooms to wash hands regularly.

We can't wait to see you here !
