

## PK3-4<sup>th</sup> Grade Uniform Dress Code Policy

-Reasons for Dress Code:

1. Uniform dress limits subjection to peer pressure in regard to expensive designer clothing or fashions.
2. Uniform dress contributes to a disciplined environment. Just as students would dress one way for playing at home and another for church, there is an appropriate way to dress for school. A well-groomed, attractive student should come to school with an attitude that prepares him/her for neat work. His/her attire should give him/her respect for him/herself, fellow students, and teachers.
3. The appearance of our students communicates many things about our school to the community and demonstrates an outstanding school with superior students.

Adherence to the dress code is the first and most tangible rule of the school to which an entering student must respond. Consistent and blatant non-compliance reveals an attitude of rebellion and disrespect for authority. The distraction caused by non-compliance affects teachers, students, and administrators. Please make a concerted effort to understand the following guidelines and ensure your child's compliance.
