

JAMES H. COLLINS

## Candidate for County Coroner

My name is Jim Collins, and I am announcing that I will be a candidate for the Marion County Coroner in November 2022. I have had the honor of serving the people of Marion County as Deputy Coroner under Dan Duren and as Chief Deputy Coroner under Keith Barnes.

I have been a resident of Marion County since May of 2003. I met and married my dear wife Cindy (Kastning) Collins. We have five children and nine grandchildren, of whom all but five are Marion County residents.

As Coroner I will strive to continue the quality service with the same compassion that the residents of Marion County have had from the coroner's office for the past four decades. I am asking for your support by voting for me Jim Collins for your Marion County Coroner.
