

COMPACT PILL DISPENSER

- The handy, compact Weekday Pill Dispenser provides a simple reminder to take your medication, with one clearly-labelled compartment per day.
- The round Weekday Pill Dispenser has a simple-to-use operation; click on the button to rotate the compartments around and select the correct day, then flip down the lid to tip out the tablets.
- It is ideal for use at home, during travel or holidays and will fit neatly into a pocket or bag.
- Handy compact design
- Days of the week clearly marked
- The easy way to plan your week's medication
- One compartment per day
