

Finally, a little elegance.

It's back and runways across the world are filled with it. Now you need hair to match. Just what you'd expect—from L'Image, of course. Hair that's done right for that ultimate holiday party.

Seductive updos are just the beginning. Styles priced \$35-\$60. A L'Image specialty, many ours alone: incredible hair accessories to complement and enhance. From \$8.

Another finishing touch: add a hairpiece from our fine collection—falls, chignons, other additions available by order. \$45 and up.

Something you already know about getting ready for holiday parties: make your appointment early!
