Development and Peace: Solidarity Sunday We wish to thank you for your generosity on this Development and Peace Solidarity Sunday. Your donation will be used to help our sisters and brothers all over the world — from Lebanon to Cambodia, to Nigeria and beyond! The theme of our Share Lent campaign Together for Peace, invites us to build peace through dialogue and reconciliation and to consider mercy as a source of hope for the future. This is what Pope Francis underlined on the Jubilee of Mercy: "Mercy is the force that reawakens us to new life and instils in us the courage to look to the future with hope." Thank you for helping us create a future filled with hope!

When making your donation, please write your cheque to the **St. Denis Parish** and indicate *Development and Peace* on the memo.

We are always looking for new members for the Parish Council of Pastoral. According to diocesan guidelines, members of the CPP have a mandate of three years but can serve two consecutive terms and should change after this time. Many of our members have passed this time. We really need new ideas!! *Meetings are held in French.*

Stewardship Reflection- 5th Sunday of Lent - March 18, 2018

"I will be their God and they shall be my people." Jeremiah 31:33

What does it mean to be God's people? It means we recognize that everything we have and everything we are belongs to God. We aren't "owners" of anything, we are merely "stewards" of the gifts God has given us. It means we are willing to use our gifts and our lives to care for our neighbours and the world, just as God cares for us

Why Confess My Sins to a Priest?

Fr. Mike lays out many reasons why confessing our sins to a priest makes perfect sense. Confession isn't a man-made tradition of the Church but rather a valuable gift given by God and rooted in Scripture. To view: *click on video* or on the link: www.youtube.com/watch?v=xtvjmsPmVpw.

Fifth Sunday of Lent (B)

March 18th, 2018

Seeing Christ

Two Greek visitors had come to Jerusalem to celebrate the Passover. They had heard rumors about Jesus and wanted to see him. As the visitors only spoke Greek, they went to Philip for assistance and made their request.

There was no exchange between the visitors and Jesus, no questions, no responses. Jesus seemed to be lost in thought and began a disconcerting conversation that his time would soon be coming to an end. Christ spoke about renunciation, death, fear, and the glory that the Father would manifest. His hour of judgment was near. Christ was raised up (at his crucifixion and resurrection). God's Son brought salvation to us.

At first glance, the passage appears to be turbulent and perplexing. The men wished to meet Jesus who greeted them with comments that appeared to be confusing. But when we re-examine the passage, we quickly see another perspective. According to St. John, **seeing is believing**. Jesus was not there to shake hands like a movie star. He wanted people to believe in him. Yet, who was he and what was this pathway? What **must we believe** in order to **see Jesus**? What was His message?

Seeing Christ means, that we, like the grain of wheat, must be *buried* in the earth to be reborn.

Seeing Christ means that we agree to *lose* our lives.

Seeing Christ means that we *do not retreat*, that we do not give into fear, but we state: *Father, glorify your name...*

Seeing Christ means we *accept the cross* and are elevated above the earth.

Seeing Christ means we will rise with the Lord.

Seeing Christ means we focus on salvation that is everyone's destiny.
