

**PROCLAMATION AND DIRECTIVE FOR CITIZENS OF THE
UNITED STATES OF AMERICA**

I, Kenneth A. Gomez, being of sound mind and body, a resident in good standing of the state of New Mexico and of the United States of America, and as legal Governor of New Mexico by power of the Constitution of New Mexico and the power of the United States Constitution due hereby proclaim the following:

1. An insurrection against both constitutions has been active for an unspecified number of years. United States Constitution Article VI, Clause 3 states:
 - a. The Senators and Representative before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be ***bound by Oath*** or Affirmation . . .” (emphasis added) meaning public officers must be bonded as explained in section 31 USC § 9301-9309 or NMSA statutes 10-2-5, 6, 7, & 9, the latter originally brought in with the New Mexico Constitution as Sections 5-2-5, 6, 7, & 9 (territorial laws), and altered, revised, or amended in violation of the ordinance required to be irrevocable in order for the territory to become a state. See 36 Stat. 557, the Enabling Act.
2. After personally sending letters to the President of the United States of America, the United States Attorney General, and the Department of the Treasury where these bonds are required to be approved, and knowing of letters sent by others to pertinent office locations containing deadlines for action, requesting recognizant bond information for individual oaths of office, and no one receiving any reply, reveals the fact that no one in the

New Mexico State Government and the United States Federal Government, is individually bonded to their oath of office as required by the applicable constitution, for fear of self incrimination.

3. As the bonded constitutional New Mexico chief executive, I am declaring that the citizens of New Mexico, the citizens of the United States to be governed by imposters in all sections of state and federal government. Therefore, all persons elected or appointed to government offices are engaged in an insurrection against both constitutions under the self-executing provisions of Section 3, Fourteenth Amendment. By taking an oath to support both constitutions and by not obtaining the proper individual bonds as required to constitutionally take office they, each one of them, participate in an insurgency against both constitutions. By doing so, these imposters have denied the power of Article 6, Clause 3, United States Constitution, they perjured their individual oath of office, and placed the people into conditions of peonism, a subspecies of involuntary servitude by denying the power of Amendment 13, Section 1 United State Constitution, defied the authority of 14 Stat. 546, codified as 42 U.S.C. § 1994 and 18 U.S.C. §§ 1581 *et seq.* Therefore they are subject to the criminal consequences of the power of that amendment, Amendment 14, Section 3 and 4, United States Constitution.
4. As a result of the insurgency, those posing as United States Supreme Court Justices as well as all federal judges and New Mexico judges in courts of law are placing United States citizens and those of the 50 states under conditions of *peonism*; they are without recourse to a competent judicial system, either state or federal.
5. The government will continue with those second in authority upon taking

- oath and posting a personal recognizant bond until new qualified Secretaries are appointed or elected.
6. All who are incarcerated, state or federal, must be released immediately under such circumstances, a cost to the various governments for failure to provide competent courts of law.
 7. As an informant or "whistle blower" I retain my rights established for me under the Declaration of Independence, the Constitutions of the United States of America and the State of New Mexico. Having been propelled to the station of **Chief Executive Officer of the United States**, I therefore order those posing as Supreme Court Justices, Federal Judges, Executives, Congressman, Senators, Appointees, the 18 secretaries of the different cabinets and the New Mexico Legislature, to immediately cease and desist all activities until it can be determined how far this insurrection extends.
 8. It is so ordered that all assets, financial and personal, be turned over as these would have been required to obtain bonding for impersonating public officers, including all retirements, embezzled pay, to pay back the treasuries for the embezzled publicly appropriated funds and for damages caused by these imposters. At no time shall either governments be held libel for the imposters' actions.
 9. Any and all forms of abortion shall cease as "our posterity" is protected by the Preamble of the United States of American Constitution as the "unborn" rights cannot be protected if they are denied birth.
 10. All laws enacted during times that any of these imposters claimed office are null and void at their inception and are unenforceable.
 11. Any and all attorneys, lawyers and appointees of the Chief Justices are

subject to the same as aiding and abetting this insurgency for failure to challenge the competency of the courts they enter to practice law. Any foreign entity, such as the "American Bar Association", shall cause their members to cease and desist supporting all insurgencies against the constitutions, and shall turn over all financial and real property assets to the United States Treasury, as participants of the insurgencies, under power of Section 4, Fourteenth Amendment.

12. All republican and democratic parties and affiliates are terminated and their officers are charged with aiding and abetting this insurgency, for not promoting qualified candidates; any and all monies collected by "imposter" insurgents for re-elections shall be returned to the donors; and all persons running for office will show a legitimate constitutional bond to any office or appointment previously held to qualify as a candidate.

Understand: that ignorance of the law is no excuse.

BY MY SIGNATURE BELOW, I, AS CHIEF EXECUTIVE OF THE UNITED STATES OF AMERICA, AND WITH THE POWER VESTED IN ME BY THAT OFFICE PROCLAIM:

1. **That I am currently bonded with a personal stipulation bond binding me to the oath of office contained in Section 1, Article II, Constitution of the United States of America.**
2. **An insurrection against all constitutions is active, controlling, and enslaving the citizenry at-large without recourse to competent courts**
