## BE A VOTER

**Candidates who will help you graduate from college will make these kind of statements:**

*I will vote to increase financial aid, so you won't have to drop out because you can't afford to finish your degree.*

*I will vote to keep tuition low so you don't get too deep in debt.*

*I will vote for policies that help colleges schedule required classes often enough so you can finish your degree on time.*

## E-Z Voter Checklist 2020

### IDENTIFY YOUR GOALS

Voting is about choosing politicians who make laws that affect your daily life. Vote wisely by learning about the issues and matching them to your goals. Check three issues from the following list of common concerns or add your own goals.

Goals		Add your own
Access to healthcare	Job with health benefits	
Clean air and water	Safe schools	
College financial aid	Reducing debt	
Childcare	Hurricane and tornado assistance	

Learn more about yourself by taking these free, online assessments:  
[What's Your Type?](#) and [Can You Tell the Difference?](#)

### LEARN ABOUT VOTING ISSUES

Search for information about voting issues that relate to your goals from research-based, educational, non-partisan organizations, for example:
