

Fall is Here!

“Autumn is the season to find contentment at home by paying attention to what we already have.”

Dear Parents,

It seems that everything is slowly falling into place. Kids are getting used to the routine and are calmer and content.

In October, we are seeing a sharp rise in Covid cases in Edmonton. Our Centre continues to be very vigilant to health safety procedures such as hand washing and surface cleaning. In addition, small acts like washing hands and wearing masks are becoming second nature for our little ones. Remember, if your child presents any cold-like symptoms, keep him/her at home.

Please, make sure that your child has a face mask, or two, and hand sanitizer and encourage them to wear it at all times.

The school routes are finalized and running smoothly. But we can always add more schools if there is enough demand. Just let us know.

Please do not hesitate to contact us with any commendations and/or concerns.

Take care,

Fort Road Day Care and OSC
