

SEIHSIKAN AUSTRALIA AGENDA

- Item 1 Look into the curriculum, with the aim of having a national system that is reflected in all dojos.
- Item 2 Have a look at the potential problem with people transitioning from junior to senior belt. Do we need a junior belt, should we have different colours, (i.e white stripe for juniors, solid colour for seniors).
- Item 3 Open up a bank account for the benefit of Seishikan Australia, and determine how money is raised and spent. We would also need a National Treasurer.
- Item 4 Have a media officer, who would look into ways of promoting our organisation.
- Item 5 Investigate ways of raising money through Government grants.
- Item 6 Read through the new proposed Constitution.
- Item 7 Read through the “Introduction to Karate” book that Shaun has done.
