

Little String Orchestra Volunteers

The Little String Orchestra is a non-profit volunteer organization. We currently have 7 members on the executive committee for 2020-2021. The executive has many responsibilities throughout the year. They book the rehearsal space and concert locations for the year. They plan and organize picture day, the Celebrate Our Youth concert, School concerts, Spring Concert and register the orchestra for Brant Music Festival. Concert programs are written up and photocopied. Music is sorted, copied, collected and filed each year. Instrument rentals and repairs are arranged. Book keeping, tax filing, insurance payments, fundraising and advertising are also tasks managed by the executive. If you are interested in sitting in on an executive meeting we would love to see you.

We realize that not everyone has the time available to commit to the executive. There are many opportunities to volunteer in other ways. If you are able to assist in any of the following areas please indicate below and you will be contacted as the need arises.
