We're a small town group from Belews Creek, NC, that pour our hearts into praising God. We do what we do for the glory of God! We hope that the songs we sing touch peoples' hearts the way it originally blessed us. We're proud to have 3 generations of the family in our group. May we always remember to praise and worship and teach our children's children, the one whom from blessings originate. Much Love, The McBride's
