

Professionals You Can Rely On

Written By Brad Fowler, M.A.T.L.T.

Allen Maintenance Inc. offers professional commercial cleaning services that meets your professional needs. Not only do we specialize in janitorial services, we also offer the following services:

- Fully licensed & insured
- Complete commercial cleaning
- Floor, finishing; wax & sealer
- Trained, reliable staff and crew
- Building maintenance repair
- Complete renovations
- Design/build
- Property management

In fact, we pride our janitorial services in compliance with the Worldwide Cleaning Industry Association and the International Janitorial Cleaning Service Association.

And the help convey the value of working with our professional team, we selected an educational multimedia from the International Janitorial Cleaning Service Association, to evoke you to take action and join forces with us, to help eradicate germs and bacteria from your commercial work environment. After all, doing so will help eliminate employee health matters that begin in the workplace.
