**Commit to Transformation**  
Reverend Hannah Rothlin

Visioning is about personal transformation. We are transformed through the practice of opening ourselves as avenues of awareness and being receptive to the Divine Love-Intelligence and Wisdom within. Committing to the Vision is committing to the transformation of our lives.

## **Sacred Covenant**

There is only One Life. That Life is God's Life. That Life is Perfect. That Life is my life now.

In knowing that I am one with this Life, I know that I am one with all of Its blessed expressions which include the presence of a new minister for my beloved spiritual community.

Because I know that the Highest Purpose of

my new minister is to express God, I therefore know that my new minister reveals Wholeness. I further know that my new minister is the fulfillment of that which we believe, for it is written:

**Let us learn to draw the Divine Substance down into our own lives and, as freely as It has been given to us, let us give It to others. Thus alone shall we be made Whole. (Ernest Holmes)**

As I stand in agreement with my beloved community, I see my new minister revealed before me as growing the Center in Joy and Prosperity.

I now intend to experience my new minister in full cooperation and agreement with my Community, knowing the Truth about myself, for...

- I live the Presence and Law of God.
- I demonstrate Wisdom through a mature understanding of the Wholeness of Life.
- I am accountable and willing to take full responsibility for my actions.
- I participate in and support the nurturance and guidance of the community.
- I act from Wholeness and congruence in thought, word and action; I “walk the talk”.
- I embrace.... [express your personal Truth here].

I now accept the highest expression of a new minister into my life, knowing that they are revealed in a way that expresses God and serves the highest and greatest good for all who are touched by their presence.

I am grateful!  
And so it is. Amen.
