

is to participate in weekly testing and mask compliance in accordance with the safe and healthy protocols (link website). Further, the university does not collect human DNA information. Human DNA information is not saved, stored, used, or shared in association with this testing protocol. The employees who are exempt from testing are as follows and outlines your options.

**Who is not required to get tested weekly?**

- Faculty/staff who are fully vaccinated and have submitted and received approval of their vaccination documentation.
- Faculty/staff on an approved leave of absence (FML, medical leave, vacation).
- Faculty/staff working outside of the country.
- Faculty/staff with an approved medical exemption from testing, which should be requested by submitting a Workplace Accommodation Request through [HRConnection](#) or contacting Integrated Absence Management and Vocational Services at [hr-integrateddisability@osu.edu](mailto:hr-integrateddisability@osu.edu).
- Faculty/staff who have [tested positive for COVID-19](#) in the past 90 days.
  - Faculty and staff who have tested positive for COVID-19 in the past 90 days at a testing site that is not affiliated with Ohio State should report positive test results to the Case Investigation and Contact Tracing Team via email ([ContactTracing@osu.edu](mailto:ContactTracing@osu.edu)) or phone (614-688-2273).
  - Employees who test positive for COVID-19 at an Ohio State testing location will not be required to test for 90 days. They will resume receiving testing invitations after the 90-day period.

Faculty/staff who have an approved religious accommodation/exemption from testing, which should be requested by contacting HR Employee and Labor Relations.

Thank you-

Amy
