★ 2011 Spa Day

“It's Fun Being A Girl: DIVA Princess Spa Day”

Our goal is to make the girls feel and look like the STARS they were created to be by God. We would like to provide the girls with facials, mini manis, mini pedis and mini makeovers. To keep it fun and exciting, we hope to have "make your own lip gloss or lotion" stations.

This will be an experience they will not forget. Who doesn't like being pampered?

Mini-facials - Fun and education lesson to teach the girls a lifetime skill of having healthy skin. This is a great introduction of the basics of good skin care for our female youth.
