

## PARENTAL CONSENT FORM INSTRUCTIONS:

- All minors ages 16-17 years of age will need to turn in a completed parental consent form and show some form of valid ID that contains their name and birth date on the same document (such as a copy of birth certificate, ID card or driver's license). Without this information, no credential will be issued.
- No minor credentials will be issued in the credential packet. However, please list all minors working on your credential list-that way the credential will be ready to be picked up.
- All minors must pick up their credential at the specified Americrown credential check-in location. At that time, please present the original parental consent form and ID. **PLEASE DO NOT FAX/SEND THE PARENTAL CONSENT FORM WITH YOUR PAPERWORK!** It will do no good as the form HAS to be presented to the Americrown employee at credential check-in for verification.
- Your Americrown contact will let you know where the credential check-in tent is located for each event.
- NO minors under the ages of 16 years will be able to receive and credential and therefore are not allowed to operate/work in Americrown locations
