Military Income (TOTAL and Manual)

Military Income refers to income received by military personnel during their period of active, Reserve, or National Guard service, including:

- base pay
- Basic Allowance for Housing
- clothing allowances
- flight or hazard pay
- Basic Allowance for Subsistence
- proficiency pay

The Mortgagee <u>may not use military education benefits</u> as Effective Income. The Mortgagee must obtain a copy of the Borrower's military Leave and Earnings Statement (LES). The Mortgagee must verify the Expiration Term of Service date on the LES. If the Expiration Term of Service date is within the first 12 months of the Mortgage, Military Income may only be considered Effective Income if the Borrower represents their intent to continue military service.
