All students are to bring one backpack with the following only -

- Tap shoes if your child does tap
- Water bottle
- Spare stockings/socks if parents want to pack either of these spare items just incase, however this is not compulsory to do so.
- If wearing underwear, it might be worth packing a spare pair of undies just incase of any accidents.

Please make sure that ALL belongings are labelled with your child's name on it. We cannot be responsible if something goes missing without a name (this includes water bottle).

No jewellery is to be worn besides little sleepers or studs if your child has their ears pierced as we understand these may need to stay in.

Please make sure that your child eats before they arrive to the venue as no food is allowed to be brought backstage with the venues new backstage policies.

Each child's costume/costumes will be at the venue hung up in each dressing room with your child's name on it. Once students arrive, the helpers will change each child into their first costume of the night. After the finale, helpers will change students back into their Ready Set Dance uniform and no costumes are to leave the venue. All helpers have a Working with children's check.

We will have 5 helpers per each dressing room plus Miss Rachael and Miss Emily as the head teachers backstage who will monitor students as they go from their dressing room to the stage. The safety of our students is of upmost importance and we want to ensure families that every child will be well looked after whilst in our care.

We have never had a situation like this before but if for any reason that a child becomes hysterical and we have tried all that we can to calm them down but they are just wanting to be returned to Mum or Dad, we will call you to come and pick them up from the side stage door which is located on the left hand side of the auditorium.

Pick up

Once the Concert finishes we ask that one family member for each student stays in the auditorium. All students will go back to their dressing rooms to change back into their uniform and collect all of their belongings and teachers/helpers will have two seperate pick up points in the auditorium for each class day.
