

# BEAUMONT CHIEFS RECRUITMENT

## Beaumont Chiefs Junior B Hockey Club

### The TEAM

The Beaumont Chiefs just finished celebrating their 37th season! Playing in Beaumont provides quite the experience, as the small town connection provides the Chiefs with a passionate fan base that comes out to cheer. The Chiefs consistently maintain a winning record each season.

Our program also includes: Skate sharpening, Team dressing room, 38 game schedule, and more.

Beaumont is a growing city with a population over 20,000, that is 1 km south of the Edmonton city boundary and 9 km east of the Edmonton International Airport.

The Beaumont Chiefs are proud to not only represent Beaumont on the ice, but to give back to the community off the ice as well. Throughout the year, we reach out to several minor hockey teams where minor hockey players are able to skate and practice alongside the Chiefs. Beaumont residents will also see Chiefs players in the community with several other team initiatives, such as our Santa Skate during Christmas.

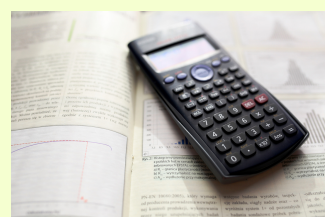

### The LEAGUE

The Capital Junior Hockey League celebrated its 50th season in 2022 and consists of teams from Edmonton and surrounding area. The CJHL allows players to play competitive hockey and advance their skills from the comforts of familiar surroundings.

### SCHOOL & WORK

Great opportunities for post-secondary education within a short drive of Beaumont  
U of A – Top 5 University  
MacEwan University – in the heart of downtown  
NAIT – Alberta's foremost technical school

Nisku Business Park, Edmonton International Airport, and Edmonton are minutes from Beaumont for work opportunities.

### TRYOUTS

Open tryouts are held in early September each year. All junior eligible players are welcome to register and attend.
