

# Fall Leadership Conference

## WORKSHOP PREVIEW

### Serve to Succeed

This session will teach members the value of service, relating to HOSA and healthcare careers. Recognition event opportunities will also be presented to members so they can share all of these opportunities with the rest of their chapter. Be The Match, our HOSA Service Project, will be introduced and chapters will start to think of ways to support this organization from their schools.

### Effective Teams: A Guide on How to Engage and Collaborate Successfully

This session will teach members how to be an effective team through constructive criticism, cooperation and collaboration, and relationship building.

### Re-Inventing Your HOSA Chapter

Members will learn the importance of chapter outreach and how to outreach to other schools. They'll also learn how to establish a middle school chapter. Members will also have the opportunity to learn how to create and maintain active membership and the importance of having active members. This session will help members to gain new skills to have an effective HOSA chapter and the intel to enact change.
