

## President's Message

Well, another month has passed and many of our members have had the unfortunate acquaintance of SARS Co-V2. Some met only short minor illness while others have had a more painful and distressing experience. I truly hope everyone recovers and nobody has longer term effects. On the brighter side, we have a busy spring and summer coming up. The world is moving outside into fresh air and open spaces. Many of us hermits will timidly emerge like moles sniffing the spring air. Ready to scurry back to our holes at the first hint of anything with a spike protein. Others, like roadrunners, have never left the surface and have fared equally well. So, whether you're a mole or a roadrunner or somewhere in between, we hope you will join us for the events Francis has planned for the next few months. Beep beep!

## Message from the Club Manager

May... let the official summer season begin. Although things are still not “the same”, we are in for a fun packed summer. Take the time to live again, no matter what your comfort level is! We certainly have many things on the go for summer. Something that is new, and you are hearing it here first... Astrid and David have graciously offered to host the Club for a cocktail hour (or 2) on July 23. We will have our bar out as well as some new and delicious frozen cocktails. We also have many other events planned throughout the summer. Please see the updated “What's Going on” sheet along with this or attached for those getting it by paper. I ask you to please sign up early. It is easier to take your name off the list than trying to get on a full event. I don't want you to be disappointed.

We currently have 13 rooms booked of the 15 rooms allocated for the History Tour. We have 8 rooms booked for the 10 allocated for Rossmount Inn in September. We are almost ¾ full for the Lamb BBQ... just to name a few. I so look forward to seeing you this summer be in outside or in!

Be well!

April Fun, Sparkling Wine Tasting

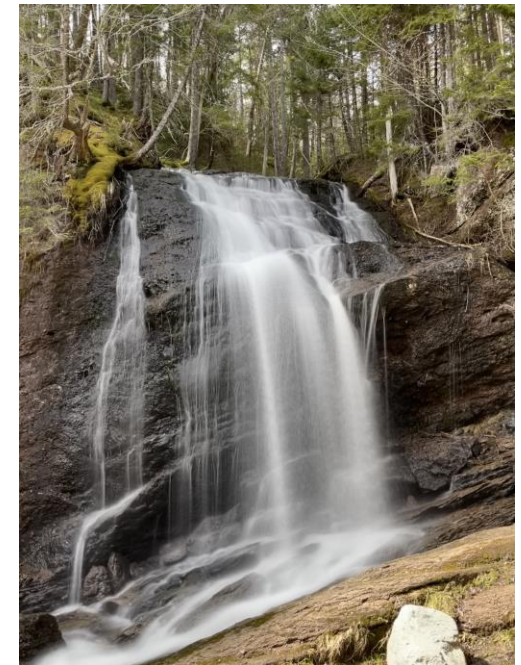

The 7 different kinds of Sparkling Wines we tried were a big hit, by all who attended! Charlotte, lead us though a spectacular evening. Numbers 5 and 6 seemed to come out on top, with the others not far behind.
