Committee Highlights:

As of October 7, 2020 the committee raised a total of \$900 towards the Lupus Foundation of America’s Walk to End Lupus Now Event that will be held on October 10th.

October is Breast (pink) and Liver cancer (emerald green) awareness month. After the chapter meeting on October 17th, the committee will host a virtual informational session about both Breast and Liver cancer. All chapter members are invited and encouraged to attend. Cancer awareness buttons were ordered for each financial member. The committee ask that members wear their buttons each month to the Chapter meetings in support of the applicable cancer awareness month.

The Balm in Gilead, Inc. Virtual National Healthy Churches Conference registration is still open until 11/9. Registration @ \$25.00 each for 10 participants has been paid by a generous donation and 10 people who have expressed interest in attending will be added to the list of registrants. Please contact Soror Neal for additional registration information. Individual registration is now \$75 per person. The four cornerstones of the conference are as follows:

2. Increase Skills & Knowledge
3. Workshops & Plenaries
