

Oktoberfest at East Hill Farm

featuring Oompah Band - Fall Foliage - Covered Bridges Tour

Friday, September 30, 2022

\$109 Per Person

Today we will visit the Inn at East Hill Farm in New Hampshire for delicious homemade "Oktober-feast!" You will have time to explore the farm and visit the animals. During our family style lunch enjoy Oompah Band entertainment.

Afterwards, enjoy a guided tour of New Hampshire's covered bridges. These bridges are not only an integral part of the Monadnock landscape, they're an excellent place to watch a raging river and beautiful sceneries of the countryside. Each covered bridge is unique-as you take a closer look at these simple structures you'll admire the truss systems that form their skeletons. In between bridges, enjoy scenic stretches of forest, plentiful lakes, mountain views and small villages.

We will make a stop at Bolton Orchards - known for their cider donuts and many varieties of apples, baked goods and other unique items before returning home.
