HUNTMASTER REPORT

Jimmy Lea announced a potential club hunt, on land acquired by Dave Snowdy, which may happen in the near future. Alleged Civil War & WWII POW history. Nothing is set in stone as of this moment. As soon as we find out where, what size the property is, parking, accessibility, etc... we will let everyone know.

- David Bond announced that he is planning to setup another Club hunt again in Gulfport later this year. His contact has changed for the place of the last hunt, so permission has to be pursued through a new overseer, from which he has already been in contact with.
