## Gratitude Abounds

We wanted to take a minute to say a humongous THANK YOU to Che Barlow and let you know that she is stepping down from her leadership role with CSLSG.

First, to alleviate your mind, Che will continue to play a part with her beautiful music for service. Such a gift she has with songwriting and her music! Doesn't it feel like she must have a direct and Divine pipeline!! Thank you, Che, for continuing to share your gift with us.

With a mind toward healthy self-care, Che informed the Core Council that she has made the difficult and emotional decision to step down from her leadership roles. Che has given this community so very much over the last several years, from 7 years as website master and managing our social media face, to music director, service team chair, to serving on Core Council, the Minister Search Committee and countless other tasks, such as taking pics at our events, creating the video for service that we love so much. She leaves big shoes for us to fill. Che has offered to help us through the end of August as we step into the work to replace her.

Please share your love and appreciation with Che at your first opportunity. If you have questions or suggestions on helping out, please contact me, Rev. Joe or anyone on the Core Council.

Che, We are so grateful for your expansive service and thoughtful contributions. We are so happy you will remain an active member of CSLSG. You bless us with your very presence.

**With Love and Gratitude,  
The Core Council**
