

SATURDAY SCIENCE ADVENTURES

FAQ

-Can I enroll in more than one session? *Because the afternoon and evening classes are a repeat of the morning activities, students must select an AM, PM, or EVENING class to enroll. Due to consistency of the roster, students must attend the class they registered for.*

-Am I able to visit the facility before the class? *Absolutely! I'd love for your child to have the opportunity to explore the learning space! If you'd like to schedule a tour of the facility, please [click here](#).*

-Is early drop-off allowed? *To adequately prepare and disinfect between sessions, the doors open 5 minutes prior to each class (9:55am, 12:55pm, and 3:55pm). If for any reason you need to drop off sooner due to an abrupt schedule change, please contact me so arrangements can be made.*

-Do I need to bring anything? *All supplies are provided! Students are allowed to bring a labeled water bottle (with a spill-proof flip lid).*

-Do I need to bring snacks? *A snack is provided during the class. Students may also elect to take their snack home.*

-Are parents required to stay during the class? *Super STEAM Saturday is a drop-off enrichment program. Parents are free during this time! (Although extremely rare- If for any reason your child is inconsolable for more than 10 minutes, parents will be notified)*

-Are the kids required to wear masks? *Although not mandated, I fully support the decision of the parents and will ensure all proper handling is taken place if they choose to wear one.*

-Are parents allowed inside the building? *At this time, we are still using safety precautions to protect our students and families. You will be allowed to drop your child off in the foyer, and to sign-in/sign-out.*

-What if I have more questions? *Please do not hesitate to reach out! You may call or send a text to 832-409-4155, or email us at brightmindssteam@gmail.com*
