RE: 2022 Young Authors Project

County YA book, ***Building & Designing the Future***, preorders

To the parents of MCRA 2022 Young Authors & Artists:

Congratulations to all of our 2022 Moore County Young Authors, Forever Young Authors, and Young Artists!

We are happy to announce that even though we will not be able to hold our 2022 Young Authors Celebration this year, we will be publishing our book of selected writings and artwork, as usual.

Each winner will receive a complimentary book and a certificate from our organization. Some parents have asked for extra copies of the publication, ***Building & Designing the Future***, because they wish to share their child's writing or artwork with others, so these extra books will be available to those who preorder.

If you would like to preorder a County Young Authors book(s):

- Contact your school representative by responding to this email or to your child's teacher.
- Let your representative know your YA's name, grade and teacher.
- Let your representative know how many books you need.
- **Each book will be \$15 total -- no additional charges.**
- Payment must be made by check or cash.
- Checks should be made payable to: MCRA.
- Payment should be sent to your school representative or child's teacher.
- No books will be issued without payment.
- **Preorders must be made by May 5, 2022.**

All Young Authors books and materials, including the preorders, will be distributed in May to your child's school. Each school will arrange for the presentation of Young Authors materials before the end of the school year.

Thank you so much for your support of your Young Author and/or Young Artist in our project this year!

Ann Spong,

Moore County Young Authors Chair
