NOTE TO THE DAY CARE CENTER: Staff Health Records are confidential and must be kept separate from all other records. Records of required medical examinations must be kept on file at the day care center as long as staff members are employed. They must be returned to them upon their request when their employment is terminated. In cases where chest x-rays are required, x-ray reports must be kept on file at the day care center as long as the person is employed and two years thereafter.
