

Sneaky Universe Newsletter – May 2023

What's new at Sneaky Universe?

Do you know what we like to do when it gets cold at Sneaky Universe? We like to put on our beanies, gloves and scarves and have a nice warm drink. And then we get right back to work. We have been super busy! Out real soon is the newest book in the Random Facts series – this one is about airplanes. And there are lots of interesting random facts about airplanes!! If you would like to know what the first meal served on a plane was or what the first movie played on a plane was, you'll have to get your copy when it hits our store or your favourite online retailer. Or if you prefer an actual bookshop – just go in and ask them to order it in for you! Also new at Sneaky Universe, we are getting ready to launch a YouTube channel where we will showcase our fabulous books!

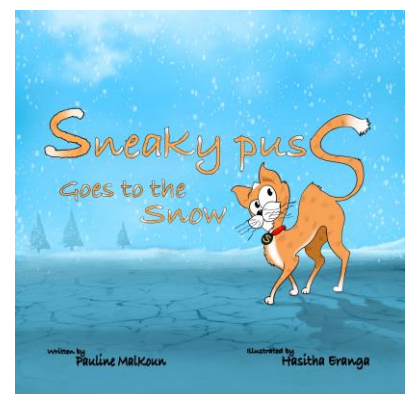

The Different is OK Kritta of the Month

The Kritta of the month is the **Drawing Kritta**. How do you make a story better? You add illustrations! One thing we love is seeing our words come to life in bright pictures. They can really make a story come alive. Do you like to draw? What do you draw? We would love to hear from you. Share a picture you illustrated via email info@sneakyuniverse.com or on Facebook [@Sneaky Press](https://www.facebook.com/SneakyPress) or Instagram [@Sneaky Press](https://www.instagram.com/SneakyPress).
