## PRESIDENT'S REPORT

Hi folks,

Well we are into the cooler months and the hot weather appears to have left us and this makes for much more pleasant practices and playouts in the community hall, so lets enjoy it while it lasts.

Our practises have been down in numbers in the last month, this seems to be the pattern at this time of year so not to worry. It just means more practice time for those who come along.

Our last singout had a large crowd who had a great time and I would like to thank the people who came out, thanks for the patronage and a big thank you to the band and caterers and

others who made it a great day.

I would like to welcome the new members who have joined us this year, I hope we are living up to your expectations and you enjoy your time with us. As you may know, we have entered a team into the Relay For Life event which is to be held at the Bundaberg Recreational Precinct on the 13<sup>th</sup> and 14<sup>th</sup> August. We so far have fifteen walkers entered and if you are doing nothing that night, come out and support us and the event.

We will be having a cent sale on the 8<sup>th</sup> October at the East Bundaberg Sports Club. We will update details closer to the event.

The festival preparations are going along nicely and will keep everyone updated.

For everyone out there doing gigs have a great time and enjoy the experience. Don't forget support local musicians, that is where the entertainers of the future are made.

**WELL FOLKS THAT IT FOR THIS MONTH, STAY HEALTHY AND KEEP IT COUNTRY**
