Relapse Prevention

Identifying Triggers

Holistic Approach: Clinically and Spiritually

- Identify what is going on inside your Thinking and Spirit
- Skill Test
- Clarifying Issues (unforgiveness, low self-esteem, trying to fill void(s))
- Addressing how your Triggers Surface Internally and External
- Identify your Gifts (what are you good at) think in terms of Spiritual Gifts/Secular

Family Service

1. How to Deal with & Pray for Dependent family members
2. Information on addiction and how it effects the addict
3. How to Recognize when you are being an enabler, while thinking that you are helping
4. How to Recognize Warning Signs
5. Spiritual Coping Mechanisms and Techniques

Identifying Purpose for Life

1. Using all your Experiences to Guide and Reflect upon
2. Understanding/Developing Spiritual Gifts
3. Identifying Strengths & Weaknesses
