

## Specializing in Glass, Window and Door Sealing Products

**JAMAK** Fabrication—serving the building & construction market for over 30 years. Our custom designed products can provide unique solutions for projects demanding optimum performance in an environmentally conscious world.

**JAMAK** can provide silicone curtain wall gaskets, window seals, hatch, vent and door seals, roof vents and slider door seals. We are available to help with your next project including the design and development of custom profiles for virtually any application. We feature a number of specialty products and services, including:

- Dual-durometer extrusions / Co-extrusions
- Silicone dense & sponge products
- Bonded / spliced corners & molded corners
- Glazing profiles & custom extrusions
- Various material options are available
- Flame-retarding silicone formulas
- EPDM dense & sponge
- Color matching available

**JAMAK** is a leader in providing precision made rubber sealing solutions. Throughout our global operations, our focus is on creating value for our customers by providing outstanding technical service and manufacturing options. From designing products and materials engineering, to customer support, we demonstrate our commitment to excellence in the quality and performance of the products we sell.

## Design and Material Development

Unique to the industry is our heavy emphasis on material research and development. Our technical support staff provides the resources for designing, formulating, and developing products and test methods. Our engineering design software allows us to offer design and tooling alternatives quickly and cost effectively.

## Company Information

- Over 40 years experience in silicone formulation and product manufacturing
- Many first to market innovations and patented products
- Over 350,000 sq. ft. of global manufacturing capacity in the US, Europe and Asia.
- On-site Center for Design Development and Testing
- Facilities in the US, UK and China
- Supply base reduction and inventory management programs available through offshore LCPC sourcing

By partnering with a solutions provider like JAMAK Manufacturing, you receive engineering support and materials development to meet the toughest standards for projects.

- Windows
- Fire Door Seals
- Custom Projects
- Low Toxicity Sealing
- Custom Projects
- Green Solutions
- Storefronts
- Skylights
- RoHs compliant materials
- ASTM D-925 (non-staining)
- ASTM D-573 (heat resistance)
- ASTM D-2137 (Ozone resistance)
- ASTM D-1171 (Outdoor exposure)
- ASTM D-1149
- ASTM D-518
- ASTM D-2136-02 (Cold flex bend)

*Weatherford, Texas facility just west of the Dallas / Fort Worth Metroplex*
