EXPERIENCE

TLZ Logistics Integrated Solutions LLC is built upon the experience of a retired Army Colonel with over 34 years of dedicated service to our Nation – who is committed to providing “Second to None” Strategic Planning, Logistics and Human Resource Solutions to its government and commercial partners.

- Planned the retrograde, redeployment and redistribution of 135,000 service members and 3.5 million pieces of equipment from Iraq to the United States in support of the Presidential directed change of mission in Iraq.
- Established and maintained accountability for over \$19B dollars’ worth of non-standard equipment in support of the U.S. Army. These efforts led to the improvement of Army’s overall equipment readiness
- Identified approximately \$280 million in cost avoidances/savings with recommended process improvement in Army’s maintenance, property accountability, storage, transportation, and distribution/ redistribution processes.
- Coordinated and integrated timely and cost-effective materiel distribution and redistribution solutions for over ~ 100K military vehicles in support of US Army.
- Provided personnel actions affecting recruiting, training, worldwide assignments, strength management, promotions, and professional development in support of 52,000 US Army soldiers.
