	Avg. Daily Rate p/child	Monthly Fees	Monthly Totals	Avg. hrly rate
1st Child	\$20.00	400.00 =	\$400.00 per month	\$6.66per hour

Question: Why are my monthly installments the same rate every month when some months have less school days than others...Thanksgiving, Christmas and Spring Break, etc.? Note, we discounted rates in anticipation of 5 emergency closure days for things such as snow, fire, evacuations etc. We will not charge extra if there are not 5 closure days, that is a bonus to you.

Answer: We discount the rates averaging the amount of school days per school year and discount accordingly. Each school we service will vary slightly on the amount of school days per year.
