**FEE SCHEDULE**

Welcome to Wilson Counseling. We appreciate the opportunity to help! All clinicians have a Master’s degree in a Social Work or Clinical Counseling. LCSW/LPCC’s have completed Board requirements and passed the full-level licensure exam for independent practice. CSW/LPCA’s have passed a mid-level licensure exam and are under supervision and working toward independent licensure. All clinicians are required to complete continuing education. Many of our clinicians are certified in a specialty or have sought additional training in specialized areas to enhance degree of expertise and skill. This amount of education, practice under supervision, written examination, licensure, and continuing education provide you with a highly qualified mental health professional. Licensure boards maintain a high standard for practice, and clinicians are ethically bound to uphold these standards.

**Mental Health or Substance Abuse Counseling**

Initial Assessment	\$165
Therapy session (55-60 minutes)	\$130

We are credentialed with most insurance companies and accept the negotiated rate of those companies. Your clinician must assign a diagnosis to be able to bill your insurance. Clinicians are assigned to clients with consideration of clinician’s ability to bill your insurance company. Not all clinicians can bill all insurances, so it is important to **report insurance changes immediately!** Client/parent will be responsible for charges not covered by insurance. Insurance claims will be submitted to primary and secondary insurances in the order the insurance companies require. Copays and amounts applied to deductible are due at the time of service. A late charge of 5% per month will be added monthly for any amounts more than 30 days past due from the date of invoicing.

Clinicians are hourly staff. Most often, clinicians have clients seeking appointments who must wait for an available time. 24-hour notice of cancellation is required. A fee of \*\* \$25 will be charged for no-shows or less than 24-hour cancellation after the 2nd occurrence. These fees must be paid prior to scheduling another appointment. **These fees are not covered by insurance.** Persons with Medicaid will not be charged this fee, though clinicians may choose to transfer services to another agency.

**Records**

Clients are entitled to one free copy of medical records. Additional fulfillment of record requests beyond one free copy will be charged to the party making the request in 15-minute increments at \*\*\$130/hour. These fees are not covered by insurance. Please allow 10 days after making request.

**\*\* Indicates services NOT covered by insurance**
