TO: Board of Directors & Board of Trustee Officers
Chapter Presidents & Secretaries
Past President

Dear Officers,

The Administration of PFA, through its Organizing Committee tries to put together in a best possible way this upcoming Convention and to see it come to fruition satisfactorily and in that effort provides entertaining activities to delegates and guest through various side events.

Representatives from the community as well as of the Greek Orthodox Church, along with the Congressmen of Arcadia, the Lt. Governor of Arcadia the Mayor of Tripoli in conjunction with the President of the Pan Arcadian Hospital, have been invited to honor our Convention with their presence.

In this effort we will need the help of everyone, especially the chapters' physical help along with their financial support. Our goal is for all chapters to participate in this Convention and we strongly suggest for each chapter to include one young adult as a delegate.

At this year's Convention, the Federation will honor all the living Presidents with the "Alexandros Papanastasiou" Award, recognizing their important contributions to our Organization and the fact that they have maintained the P.F.A. to be among one of the largest Greek-American Organizations in the USA.

The Governor of the Midwest District, Ted Stamison, will also be honored with the "Vassilios Helis" Award for its significant contributions to the P.F.A. and to the MWD District and especially for his tireless efforts during the renovation and modernization of the building, commonly known as the Arcadian House.

Finally, the Federation will honor Dimitrios and Eleni Bousis, with the "Theodoros Kolokotronis" Award for their continuing support and contribution to Hellenism and for their philanthropic work.

The goal of the Administration and the Organizing Committee is for our Youth to participate in this year's Convention. The P.F.A. wanting to support this effort will cover the expenses of up to six people from each District for young adults from 22 to 39 years old. For the East and West Districts \$ 200 per young adult will be provided to subsidize their travel expenses, free Hotel for two people per room will be provided along with free registration for the Convention and free participation to all events. For the Midwest District free registration to the Convention and free participation to all events will also be made available.

For more information call the offices of PFA at **630-833-1900** or Evangelia Sourounis at esourounis@gmail.com.

Registration of participants is \$ 125. This amount includes participation to the Convention and to all scheduled events.

With patriotic greetings and wishes for a good and blessed Easter.

For the Administration of PFA and the Organizing Committee,

Andreas P. Papantonios
President
