

## DRESS CODE

Dress code is important for the student's safety. Teachers must be able to see body lines and make appropriate corrections. This helps to maintain proper posture as well as decrease the chance of body injuries associated with dance. Students follow a dress code that reflects professionalism and discipline. Please see below for list of class dress codes and shoes.

[If you have any questions pertaining to the dress code, please email Miss Amanda](#)

### General for EVERY Class

No overly baggy clothing, jeans or dangly jewelry.

Hair must be pulled back off the face into a TIGHT AND HIGH pony tail or bun.

Street shoes are not permitted in dance studio.

Please bring dance shoes separately and change before class in designated dressing rooms

### Tumbling Tots & Taps, Preschool Dance, Kinder Dance

- Students are required to wear a light pink or black leotard.
- Black or light pink jazz short, skirt or small tutus are permitted over leotard. Black or light pink leg warmers are permitted.
