

Monthly Newsletter - July 2019

Photo: Joanne's Spitfire is coming together nicely - Joanne Hollin

Welcome to the ATCC July Newsletter. Thank you to the large number of members who came along to the club AGM on Sunday 7th July. It was great to see 30+ people tucking in to a cooked breakfast, followed by all those present in the restaurant finding their way to the correct meeting room for the AGM.

At the AGM it was decided that due to the consistently high quality of the quarterly club magazine and the significant uptake in usage of the club's closed Facebook page there is no longer the need for a monthly newsletter in this format, so this one will be the last edition. The monthly newsletter will be replaced by a monthly events summary that will be distributed by email, so keep an eye on your in-box!

Speaking of the club magazine, Lance our editor is looking for photos and articles for the next edition – please send to the following e-mail address before the end of July:

Forthcoming Regular Classic Car Events in Auckland

This isn't specifically an ATCC event, but there is an excellent Classic Car meet-up that happens in the Auckland area on a regular basis – members who have been along say it is well worth the effort of getting out of bed on a Sunday for.....

'Caffeine & Classics' - Last Sunday of every month, Smales Farm, Takapuna, North Shore, Auckland from 10.00am

Many of our members have been heading along to this regular event in Takapuna that takes place on the last Sunday of every month. If the weather is good then upwards of 800+ classic cars of all types normally turn up, so always something interesting to look at. There is always a coffee van on site and there is also a café a short stroll away for anyone who wants something a bit more substantial. Check out the official event website for further details:
