Special Request for Honesty

PLEASE DO NOT USE THIS STUDY GUIDE WHILE TAKING THE TEST. INTEGRITY IS THE #1 TRAIT OF DRACULIANS.

Special Events/Dates

May 9, Victory Day: In April of 2018, a small group of Draculian Citizens had a disagreement with the government over the treatment of religious citizens. The small group voiced that the religious peoples should be targeted, imprisoned, and killed by the Dracul Intelligence Agency. The Federal Government did not take kindly to this proposal and prohibited the small group's attempt at singling out religious peoples. The small group eventually formed in April of 2018, under the name of "Dracul Confederacy" and attempted to take control of the Capitol in North Dracul.

By May 9th, the small group had eventually disbanded and were declared "defeated" by the Federal Government. The leader of the Group, Al Fare, was banned from the community and had his citizenship revoked.

Flag Details

The Flag of the Commonwealth of Dracul is a symbol of freedom and liberty to which Draculians pledge their allegiance by standing at attention, facing the flag with their right hand over the heart, and reciting:

"My allegiance to the flag of Dracul, is for the republic, which stands for everyone. A nation protected by God, indivisible, with liberty and justice for all."

The flag consists of 3 alternating white, red and blue stripes that represent the nation, and a gold dragon, representing the Order of the Dragon. The bird represents the 7 castles of Wallachia, while the cross represents Orthodoxy.

The colors on the flag represent:

- Red: valor and bravery
- White: purity and innocence
- Blue: vigilance, perseverance, and justice

Specialty Flags

- Since the Chancellor is deemed “Commander in Chief” of the Military, his personal flag is also the Defense Flag of the Military. The flag is blue, with 2 white ribbons, with the top one stating the national motto, “Deo Vindice” meaning “God Vindicates”. The bottom ribbon are the values of the military, which list “Loyalty, Duty, Respect, Honor”
- Please note: According to Dracul's suggestion, when a Draculian flag appears worn or otherwise no longer appropriate for display, it should be destroyed in a dignified way, preferably by burning.
