

## Friday, January 21st Blitz Chess Tournament Coy's Camps and Classes In the Tucson Mall

### One to Two Sections:

- If there are enough players to divide in two sections, we will divide into two sections by rating. Adjustments may be made by director to keep groups with even players and/or an obvious rating discrepancy. For example, if there are 14 players, that would split into two groups of 7 resulting in someone having to take a bye each round. Either the top of the bottom will move up or the bottom of the top will move down depending on what makes sense for the ratings.

G/5;d0. Games will be 5 minutes per side with no delay.

5 rounds with 2 games per round (players play white and black against each opponent).
